We will watch this documentary with a panel discussion following with representatives from Busch Funeral and Crematory Services, Cornerstone of Hope, and Crossroads Hospice. We are offering two sessions so you can select the one that best works for your schedule.

Transforming Loss: Finding Potential for Growth, an inspirational program about change in the wake of loss, is appropriate for all professionals working in hospice and palliative care, counselors, and any professional whose practice touches the lives of the bereaved. Ideal for community education and outreach, this program is sure to touch the hearts of those who have experienced loss.
