

A CENTER FOR GRIEVING CHILDREN, TEENS AND ADULTS

Dear Parents/Volunteers,

Beginning this summer, in our continuous efforts to provide the best possible care to our campers and staff, Cornerstone of Hope is partnering with **CampDoc.com**.

CampDoc.com is an electronic health record system for camps, and will help us consolidate and integrate camper health information into a centralized and secure location. Their system will give our counselors instant access to camper health information, a key component in providing quality patient care.

The security, confidentiality and privacy of your camper's personal health information will always be protected. Only the camp staff at Cornerstone of Hope will have access to camper health information, and the CampDoc.com site is secure, encrypted and password protected.

Our organization has a special link where only participants from our organization can register! Our link is: [app.campdoc.com/register/cornerstoneofhope](http://app.campdoc.com/register/cornerstoneofhope)

Click the link to set up a CampDoc account and begin the registration process. Here, you will enter your email address and create your own password.

- You will also select your desired camp.
- Follow the instructions, and complete the Health History for your camper. **Alerts will appear for any missing required information.** All missing steps are marked with a red dot, and missing questions are outlined in red.
- Upload any required documents to your CampDoc.com account.
- Return to [app.campdoc.com](http://app.campdoc.com) at any time to make changes/updates to your camper's health information before camp begins. You can log in using the email address and password you created at the time of registration!

Please set [register@campdoc.com](mailto:register@campdoc.com) as a 'safe sender,' to avoid accidental delivery to junk and spam folders.

Please contact the **CampDoc Help Desk** with any CampDoc related questions.

Help Desk hours are Monday-Friday 8am-5pm EST. The Help Desk can be reached via telephone by dialing 734-636-1000 or via email at [help@campdoc.com](mailto:help@campdoc.com).

We are excited to continually evolve – building safer, more productive and more efficient systems to create the best experience for you and your family.

We can't wait to see you this summer,
