

# BEREAVEMENT FACILITATOR TRAINING

**FOR PROFESSIONALS**  
INTERESTED IN HELPING THE BEREAVED

The bereaved often find themselves lost and empty. Some are fortunate enough to find someone to companion them on their grief journey and help them navigate along the way.

Bereavement Group Facilitator Training is open to any professional interested in learning more about grief and loss, and how to help others. This course is designed to be educational and interactive, with opportunities to explore personal loss histories, and is facilitated by licensed professionals. Group dynamics will be learned through sharing & interacting with other group members.

Trainings are conveniently held at Cornerstone of Hope. Cost is \$175 and includes program materials along with dinner and 7 CEU hours for Nurses, Social Workers and Counselors.

You must attend both days of this two-part series:

Monday, May 14, 2018 from 5:00pm - 8:30pm

Monday, May 21, 2018 from 5:00pm - 8:30pm

*Dinner and the program begin promptly at 5:00pm.*

For questions, please contact Cornerstone of Hope at 216.524.4673. You can also register online by visiting [cornerstoneofhope.org](http://cornerstoneofhope.org).
