Join us for a fall family shadow box workshop!

All grieving children, teens and adults are welcome to attend! We encourage those new to Cornerstone of Hope to join us as well. Each family will receive supplies for making one shadow box. You are welcome to bring any of your own memory items to include in the shadow box. There will be an additional project for children to complete as well (in addition to helping with the shadow box).

You'll be turning your clocks back that night, so why not pre-spend that hour with us making a memorable and meaningful piece to treasure? It could be given as a Christmas gift to someone special or kept in your home to honor your loved one. Children must be accompanied by an adult. The cost is only \$10 per family to cover refreshments and supplies.
