In honor of children's grief awareness day, Cornerstone of Hope is hosting its Annual Educational Program for anyone who works with grieving children.

**TEACHERS, COUNSELORS,
SOCIAL WORKERS, CLERGY,
FUNERAL DIRECTORS,
AND MORE ARE ALL WELCOME!**

This program will consist of new clinical interventions based on products purchased at your local dollar store! With a bit of ingenuity and creativity, it doesn't have to cost much for clinicians to add to their clinical tool belt. Come have fun with us, satisfy your sweet tooth, and leave with new interventions for your work with grieving children and adults.
