

CORNERSTONE OF HOPE

Grief Counselor – Columbus

Ohio's leading provider of bereavement support services is seeking a dynamic, experienced clinician to join our compassionate team in Central Ohio. Cornerstone of Hope is a Christian based organization that serves anyone seeking support after the death of a loved one, regardless of their faith, through individual counseling, support groups, and a variety of special programs that ultimately foster hope amidst the pain of grief.

We will consider full-time and part-time candidates for this position. The qualified candidate will be responsible for carrying an individual case load and assist in facilitating support groups. Must have a Master's Degree in Social Work, Counseling or Art Therapy and current, active PC or LSW license. Must be willing to work with all ages and have experience with grief counseling and/or facilitating support groups. **Looking for a committed team member who feels called to minister to the bereaved.** The hours per week will include some evenings. **Excellent opportunity for those who seek to balance their professional and family life.** Call Kristen at 614-824-4285 if you have any questions.
