A Letter From

CORNERSTONE OF HOPE'S

CEO, Mark Tripodi

Early in 2020, Cornerstone of Hope was busy fulfilling its mission and planning its future. We were laying the groundwork for expanding services to meet the growing need for additional programs and the call for more specialized forms of bereavement care. We were minutes away from launching a capital campaign for expansion of our main campus.

And then, the pandemic brought the world to its knees, and we found ourselves working hard to adapt to unprecedented circumstances, dealing with tremendous ambiguity and uncertainty, and simply adapting to ensure that we maintained services for our clients.

With your immense generosity, encouragement, support, and commitment, we found the collective courage to continue to fulfill our mission and accomplish some incredible things together despite the challenging circumstances! We moved quickly to lower our expenses, reimagine our fundraising, and most importantly, to provide services in alternative ways to a growing community of grievors struggling to cope with new and more complex forms of grief. This grief was not only from the devastating loss of a loved one, but the grief was compounded by isolation and amplified by other types of losses ranging from loss of time with loved ones to loss of employment to loss of life as we previously knew it.

Through it all, Cornerstone of Hope prevailed. We **provided professional services** to grievors safely during the pandemic conducting over 8,000 individual counseling sessions. We **reopened our offices safely and welcomed back support group clients**. We held an adapted **Pain to Purpose** retreat connecting on a deeper level with grievors by exploring grief's spiritual and theological aspects. We instituted new programs, including **Grandparents Grieve Too** for the often forgotten grandparents who deeply mourn the loss of a grandchild.

The annual **Taste of Hope** event went on in spite of the tremendous impact the pandemic had on the foodservice industry. Our incredible restaurateurs and sponsors went the extra mile, enabling us to host a spectacular, albeit pandemic-adapted, **Taste of Hope**. Embracing everything virtual, we implemented **Telehealth** services, hosted two **Grieve with Hope** virtual benefit concerts, and the new, virtual **Open Your Home, Open Your Heart Signature Event** in Columbus. And, our adapted summer camps provided much-needed activities for the younger and more vulnerable grievors facing loss in new and different ways.

Incredibly, we ended 2020 in a stronger financial position than we could ever have imagined and are well-positioned and excited to continue executing our mission and serving our clients with passion and excellence.

None of this would have been possible without you, our generous donors, supporters, and sponsors; the herculean efforts of our staff who worked tirelessly during the pandemic, wearing multiple hats and performing numerous roles; or the tremendous contributions of the Cornerstone contractors and volunteers. Many thanks to everyone who helped us provide vital services, affirming the importance of our mission of **Creating a World Where No Grieving Person Journeys Alone**.

With HOPE,

2020 RESILIENCY IN ACTION

In a year marked by uncertainty and unprecedented challenges resulting from the coronavirus pandemic, Cornerstone of Hope prevailed, demonstrating agility, resiliency and adaptability! We introduced some new programs and re-imagined other healing and hope-filled services and events. Our donors stepped up as well, overwhelming us with generosity in the midst of their own personal challenges, crises and tragedies.

2020 CHAMPIONS OF HOPE: ANNE & BEN ALI

By Mark Tripodi

Married for 33 years, Anne and Ben are partners in life and at work. Their business, Royal Landscape Gardening, has been a family affair for three generations with a storied tradition of giving back.

For more than ten years, the Ali's, through their business, have consistently supported, championed and rallied behind grieving families who come to Cornerstone and find HOPE. They take great pride in maintaining the beautiful grounds of the Bereavement Center in Independence. In addition to maintaining 4.5 acres, they have provided the equipment, materials, and human resources for all major beautification projects including a lighted treehouse path, ground preparation for the children's playground, and most recently, completing the outdoor counseling gazebo and Stations of the Cross garden areas. We are deeply appreciative of their continued and amazing generosity.

OUR *Partners*

"Our firm is so grateful and honored to support the caring ministry of COH. The entire staff is sincere, full of compassion and equipped to help the bereaved. They have helped countless families we have been privileged to serve on their journey of grief and also have helped us during sudden losses within our own staff family. We feel very blessed to have COH available to our families and our communities."

NEW 2020 PROGRAMS

.....

Grief Matters is a monthly education series designed to provide opportunities to explore and manage grief in new ways. Each month, a topic or activity is presented that may help improve wellness and coping through education, self-care, and emotional expression.

A program for grandparents, often the forgotten grievers after the loss of a child. They are grieving the loss of their grandchild, while at the same time trying to support their child who is hurting.

GRIEVE WITH HOPE VIRTUAL BENEFIT CONCERTS

Cornerstone of Hope brought HOPE to the community in 2020 by hosting two Grieve With Hope Benefit Concerts. These free, virtual, music events were available on Facebook, YouTube and IGTV. Each offered over an hour of uplifting songs and encouraging messages for the community to enjoy from the comfort and safety of home.
